Dear Parent,

Spanish is the second most widely spoken language in the world after English and many of you have taken holidays in a Spanish speaking country. Take advantage of this opportunity for your children to learn the language while they are still young enough to assimilate it easily.

Lessons will be held on **Tuesdays** after school (3.15-4.15 pm). **Please pick up your child promptly.** Lessons will start on **Tuesday 16th September 2025 (not 9th)** with an experienced Spanish speaking teacher. They include everyday new vocabulary.

There will be 12 lessons in total (taking half-term holidays into account) and will finish on **Tuesday 9th December 2025**. The cost of the 12 lessons will be £72. Please make cheques payable to Martha Goodall.

Due to limited places and the popularity of this club a high level of commitment is expected. Given the demand last term, preference will be given to those who have attended previously. No refunds will be available.

I would appreciate it if you call the number above beforehand to confirm your interest in order to calculate spaces taken and those still available.

Yours Sincerely,

Martha Barajas Velasco.
