# What is RSE?

- RSE is the life long learning about physical, moral & emotional development.
- It is the understanding of the importance of marriage for family life, stable & loving relationships, respect, love & care.
- It is also about the teaching of sex, sexuality & sexual health.

# RSE at (add school)

- RSE forms a part of the PSHE, RE and Science Curriculum and is collectively known in Catholic Schools as EPR – Education in Personal Relationships.
- Our key objective is the well-being and safety of every pupil.
- We believe that parents/carers are the prime educators of their children.
- Our role is to support you in the education of your child and not to replace you.

# RSE at (add school)

- RSE will naturally overlap with PSHE, RE & Science.
- In ALL schools teaching MUST reflect the law including the [Equality Act 2010](#).
- Schools with a religious character are able to teach their distinctive faith perspective on relationships.
- The religious backgrounds of all pupils will be taken into account when planning lessons.

# Right to withdraw

- Parents/carers have the right to withdraw their children from **elements** of Sex Education that are not in line with the National Curriculum for Science.
- They may **not** withdraw their children from any elements of Relationships Education and Health Education.

# Supporting all pupils

- We will ensure that RSE & Health Education is accessible for all pupils including those with Special Education Needs &/or Disability - SEND.
- We are aware that some pupils are more vulnerable to exploitation and bullying due to the nature of their SEND and will communicate with parents/carers to tailor content and teaching to their specific needs.

# Supporting all pupils

- We will ensure that all pupils understand the importance of equality and respect and comply with the relevant provisions of the Equality Act 2010.
- We will work in partnership with the family, school and the Church.

# Working with external agencies

- We will ensure any outside visitor is familiar with our school ethos and RSHE Policy.
- We will ensure all visitor credentials are fully checked.
- We will always see materials and lesson plans in advance and ensure they are age-appropriate and accessible to all pupils.
- We will ensure that any delivery from an outside visitor will enhance our planned programme.

share information regarding Journey  
in love

# A Journey in Love

“My commandment is this: love one another,  
just as I have loved you”

John 15:12

The central message of the Christian faith is love. The central message of our RSHE teaching is love.

Approved by the Diocese and recently updated to include new statutory guidance, the programme teaches that:

- The journey begins at the moment of our conception *God is at the heart of love*
- Puberty can be an extremely confusing time for children, our message will be that *even in this confusion, God is there*
- The Sacrament of marriage publicly declares the commitment of each spouse to the other permanently *in the acknowledgement that it is God-given*

# The Structure of A journey in love

## **The programme is made up of 4 areas:**

- Social & Emotional
- Physical
- Spiritual

## **Each area is broken down into:**
