Hi

I'm Fiona and am delighted to be offering Irish Dancing classes at St Joseph's on Wednesday's from 3.15pm – 4.15pm.

About me:

I run Keady Academy based in Redhill and have been teaching for over 15 years. I started dancing aged 3.5, had a successful competitive career and performed in many theatres and festivals over the years. I am now Mum to two girls, one of which attends St Joseph's. I am Enhanced DBS checked and fully insured.

About the Academy:

Keady Academy offers lively and energetic dance classes with a focus on building coordination, strength, stamina and confidence. I pride my school on being positive and encourage all dancers to 'be their best'. There are various opportunities for dancers such as Grade Exams, competitions and displays. However, some just want to simply dance for fun and fitness and that is welcomed too! My main aim for all dancers is to enjoy themselves whilst making friends along the way who share the same passion. Keady Academy is registered under An Coimisiun le Rinci Gaelacha.

Classes run from 15th June until 13th July and fees total £25.00 for 5 classes.

Payment details:
